Fenwick has always credited its shoppers with exceptional taste – and now we're delighted to be indulging those tastes quite literally, with the launch of our own handpicked range of extravagant edibles and gourmet delights.

We've scoured the British Isles for the producers, bakers, chocolatiers, roasters and distillers crafting the most irresistible, artisanal food and drink.

Combining creativity and craftsmanship, the range promises delights for all occasions and all times of day, from hand-harvested tea and seasonal preserves in the morning to spectacular gin liqueurs and hand-roasted coffee (perfect with a square of our artisan chocolate after dinner).

From impromptu family gatherings to special celebrations, these are foods and drinks – and moments – to be savoured.
